I IPPINCOTT'S MAGAZINE, with its varied and excellent contents, is a library in litely. It was indeed a happy thought to print an units novel in such number.

Not a short qualitate, but a long story such as you are used to get in beat form and pay from one deliar to one deliar and a half for.

Not a short qualitate the said a half for.

Not easy that, but with each number you get manched muse of other conventionies, which gover you a good magazine brilles the navel.

The ringing bloom which have been trunched the appearing of persons for the dear resembled throughout the entire land, and to day lipping though the soleter land, and to day lipping which the soleter, and is the food rank of monthly publications, and is the total widely manched. For full incorpine strends of it that in the though and talked of publication of six that in the these.

LIPPINCOTT'S MAGAZINE, Philadelphid \$9,000 per year. \$5 tts. single number.

The publisher of this paper will reasive year one creption.
